Where can you create certificates?

Different countries have different laws, so their certificates are slightly different too. Choose your country to create the right certificate.

Surface in Newspapers front pages vs. Twitter about #ows #Occupy Nov 30th

[Tweet](#) 19 [Like](#) 1 [+1](#)

We keep making experiments with this small multiple graphic. We are now displaying the percentage of surface that #occupy is 'using' in the front pages of the newspapers, as making quantitative reading of surfaces is difficult for the human eye. Red bars are displaying the % of surface 'occupied' in the front pages.
